

# Western Gateway BOD Zoom/TeleConference Meeting

Below is the information for the Wednesday November 18, 2020 Board of Directors' Meeting. As you may know, Monday morning Nevada County was placed in the most restrictive tier for Covid precautions. The good news is we won't be required to close the park as we have had to do in the past. Also, the Health Department allows for our only two reservations remaining for this year since both fall within restricted parameters.

However, in order to follow the spirit of the tier, it is only logical to hold the Wednesday BOD meeting via optional means. Since the required Brown Act 72-hour notice was posted Sunday night, it is necessary to have the Cottage open to those who may come via posted notices. For others who have learned by way of our email distribution or personal invitation, the following is the access for both Zoom and teleconference:
